Expodoc Wins 2021 - Top Performer Award - in the category 'Event Management Software'

Expodoc is honoured to be recognized as a Top Performer by SourceForge, the world's largest software reviews and comparison website.

May 5, 2021– Expo Projects today announces that Expodoc has been awarded with a 'Spring Top Performer Award' by SourceForge, the world's largest software review and comparison website. This award recognizes companies and products with a significant amount of recent favorable user reviews that puts them in the top tenth percentile of highly reviewed products on SourceForge.

"It's my pleasure to announce the Spring 2021 Top Performers on SourceForge, said SourceForge President, Logan Abbott. Expodoc has been named a Top Performer this Spring in the Event Management software category, and Expodoc's great user reviews speak to the high quality solution they provide to their customers. Congratulations on the award and keep up the good work."

To win the Spring 2021 Top Performer award, each winner had to receive enough high-rated user reviews to place the winning product in the top 10% of favorably reviewed products on SourceForge, which demonstrates the utmost quality that Expodoc delivers to customers.

"The entire Expodoc team is excited to accept the SourceForge Spring 2021 Top Performer Award. Our daily goal is to provide a best-in-class product and service. We are very happy to see our users rewarding us with such amazing reviews. We're honoured to be valued by our customers and to be recognized by SourceForge", said Mirela Brkic, Managing Partner at Expo Projects.

About Expodoc
Expodoc is an exhibition & event management tool that optimizes the administration, sales, marketing, finance and operations for trade shows, congresses and events. The program improves the workflow for all parties concerned: the organiser, venue, exhibitors, service providers and exhibitors. All our projects combine our customers' experiences and our employees' expertise. This allows us to create specialized features for the industry.
